Greetings Greenbrier Residents!!! Spring has made an early appearance in our beautiful neighborhood and unfortunately brought with it some unwelcome visitors. There have been several home burglaries this year which have fortunately not resulted in any personal injury, but which have, nonetheless, caused uneasiness among residents. Vehicles parked in driveways and on the streets have also been the target of thieves, be they window smashers or more unsophisticated types who take advantage of unlocked car doors. The LFUCG Division of Police says Lexington neighborhoods are experiencing these types of crime from one end of the county to the other. We are fortunate in that we have security cameras which have helped in the arrest of one of the alleged burglars. Currently our camera technology is somewhat limited and requires many hours of time to find the specific day, time and frame to identify the suspect vehicle. The GRA is hoping to be able to afford one or two updated cameras which will be high definition and have infrared technology to capture images at night.

After one recent burglary, the GRA was approached by our friends at the Greenbrier Golf and Country Club with an offer we can't refuse! The Club has generously offered to contribute to our enhanced camera purchase through a proposal that is linked to neighborhood club memberships. The Club would donate a portion of membership fees to the GRA camera fund through the following structure:

Initiation Fee Sharing Structure:

Clubhouse membership - \$500 initiation fee (**\$200 contributed to GRA Security Fund**)

Social Membership - \$2000 (**\$500 contributed to GRA Security Fund**)

Sports Membership - \$2000 (**\$500 contributed to GRA Security Fund**)

Full Golf Non-Refundable Membership - \$4000 (**\$1000 contributed to GRA Security Fund**)

Corporate Membership - \$4000 (**\$1000 contributed to GRA Security Fund**)

Neighborhood Activities

This past March 25 the GRA Ladies' Tea was graciously hosted at the home of Dr. and Mrs. Bruce Koffler on Briercroft Way. It was hard to decide which was the better treat, the delicious canapés and desserts, or the lovely Koffler home. Margee was the perfect hostess, even turning on the UK game so all the ladies would know the Cats won when they got home. What a wonderful afternoon!
